**Bequests/donations**

These are a welcome form of extra income for Eastwoodhill and are essential for capital projects that require new funds to be completed. Our masterplan implementation is firmly in this category and can only be enhanced by applying for funding and grants. We do run a bequest programme and welcome the receipt of any funds from legacies and estates. For more information on how this can be achieved please see the brochure in this pack.

National Arboretum of New Zealand

Every oak tree starts out as a couple of nuts who decide to stand their ground.

Eastwoodhill is a national treasure – one that we need to look after, protect and showcase. Currently more than 9000 visitors come to Eastwoodhill each year from all over New Zealand and the world. They are constantly amazed by the wonders at Eastwoodhill and many come back time and time again.

You can help us to continue the legacy created by Douglas Cook and then by H.B Williams by becoming a member. At the same time, your membership fees will help us to maintain and develop Eastwoodhill.

A new electronic membership card will make it easy for you to visit us frequently to ensure you get the best of Eastwoodhill in all four seasons.

Members' children are free at Eastwoodhill and we have great children's trails to keep them interested. Watch the website for updates.
