TREES

FUTURE™

You can help us to continue the legacy created by Douglas Cook and then by HB Williams by becoming a Friend. At the same time, your Friends fees will help us to maintain and develop Eastwoodhill.

What we do

We serve as an arboreal ark, a safe haven for threatened and endangered trees, and we are an inspiring place for research and education.

What we believe in

We stand for proactive and interconnected conservation programmes for the global diversity of plant species and the appreciation of all life associated.

- 10% discount off gift items in the visitor centre shop.
- Children of a Friend (under 16) are free
